Unlock the Power of Reading with Orton-Gillingham ASSOCIATE Training

Orton-Gillingham (OG) is the gold standard and foundation of all structured literacy and multisensory instruction. This course delves deeply into the science of reading, equipping you with the necessary skills to effectively implement Orton-Gillingham procedures that enable you to provide multisensory, systematic and sequential reading instruction to support students. Ideal for those looking to apply the Orton-Gillingham approach for 1:1 intervention, group or classroom settings, this course meets the Orton-Gillingham Academy (OGA) Associate Level requirements.

What You'll Learn:

- **Foundations of Reading:** Understand the neurobiology of dyslexia and the critical importance of early intervention.
- **Phonemic Awareness and Phonics:** Discover the crucial role of phonemic awareness in the reading process and the power of systematic phonics
- **Syllable Instruction:** Explore types and division patterns of syllables to support reading development.
- **Advanced Morphology:** Integrate Latin and Greek morphology to enhance vocabulary, reading, and spelling
- **Vocabulary:** Understand its importance and how to incorporate into lessons
- **Reading Mastery:** Understand the components of reading fluency and comprehension and the role of accuracy and automaticity
- **Diagnostic Lessons:** Use a flexible OG scope and sequence to develop highly diagnostic and prescriptive lesson plans to unlock the code of language and deliver 1:1 intervention to struggling readers.

All coursework and practicum follow the curriculum set forth by the Orton Gillingham Academy
www.ortonacademy.org

- **Assessment:** Understand and utilize informal assessments to find a starting point and monitor progress. Analyze formal assessments to identify student strengths and challenges
- **Writing:** Integrate a structured approach supported by basic grammar.
- **Orton-Gillingham Academy (OGA):** Understand the Academy's philosophy, standards, and certification process

A subsequent practicum, in keeping with the Academy's standards (www.ortonacademy.org) for application as a Certified Associate member is available for additional cost. This process will be covered during the training. For immediate information, please email Lori Shikuma at 'Lori@OrtonGillinghamCoach.com'

Lori Shikuma, M.S.Ed., F/OGA, C-SLDS/IDA lives in Hawaii where she has worked in public and private schools as a reading interventionist while maintaining a private Orton-Gillingham tutoring practice for the past 14 years. She is a past Board member of the Hawaii chapter of the International Dyslexia Association and continues volunteer literacy services in the community. With two dyslexic children, she is passionate about educating others about the science of reading instruction and utilizing time-saving AI to support OG lessons.

What is the Orton-Gillingham Academy (OGA)?

The mission of the Orton-Gillingham Academy (OGA) is to sustain the foundation of the principles of Orton-Gillingham (OG), as set forth by Dr. Samuel Orton and Anna Gillingham. The OGA is exclusively charged to:

- Establish and maintain professional and ethical standards for practitioners and educators of the Orton-Gillingham Approach for the treatment of dyslexia
- Certify individuals who meet Academy standards by demonstrating competence as practitioners and educators of the Orton-Gillingham Approach
- Accredit, in schools, clinics, and summer programs, Orton-Gillingham instruction that meets OGA standards
- Sponsor and disseminate research relevant to Orton-Gillingham instruction
- Sponsor, promote, and undertake research relevant to Orton-Gillingham instruction and disseminate the results of such research
- Broaden public awareness of the nature and educational needs of people with dyslexia and the role of the Orton-Gillingham Approach for the treatment of dyslexia
